Consider the motion from the previous evening's B&G meeting to recommend to the vestry that Epiphany move forward on the roof replacement for the Great Hall, going with NV Roofing and deciding between the two quotes NV Roofing provided (\$49,428 – first quote and \$40,428 – second quote).

Details

The motion was sent and a summary of the two estimates by NV Roofing to facilitate the discussion. Cam made a motion to move forward on the project and Joe seconded the motion. Questions were given to Bernadette (parish administrator) to field with NV roofing. When the responses are given, Epiphany will move forward with the project.
