

Question: What's small, lucky and green all over? (Now don't you be glancing a look down at the answer below!)

Answer: What now, don't yah know? Why it's a Leprechaun who recycles, of course.

We're just trying to get you in the mood for what's in store for you on Sunday, March 17th. Are you ready now? Let me have one more chance. Here goes...

It's said that on Saint Patrick's Day **everyone is Irish**. Or at least wants to be. So, the men of COF United Methodist Men's group would like to extend an invitation to help celebrate the life and deeds of Ireland's patron saint with their interpretation of an Irish style cuisine, or at least a reasonable facsimile thereof. Look at it this way, at least it'll save yah the cost of flying over to Ireland!

A good time is sure to be had by all. So come join us at Community of Faith UMC. Festivities will start at 5 PM, and Contemplative, Celtic worship will follow at 6:15.
